# What is Walk the Beat?

**We support kids, businesses and local organizations. We build community through music. We are a non-profit organization (501c3) designed to strengthen and promote city music scenes. Music changes lives, so we:**

- **Provide kids with free music lessons and instruments**
- **Partner with and promote live music venues**
- **Act as a support system for your specific music scene**
- **Partner with other non-profits to build community through music**

**The biggest yearly Walk the Beat events are our annual  
Street Music Festivals**

- **Live music everywhere you look in your downtown.**
- **Crowds literally "walk the beat" from show to show**
- **Music and prizes at every stop**
- **The music, crowds, and prizes create a vibrant festival atmosphere.**
- **There are three annual full-scale music festivals this summer, in Montegue/White Hall, Grand Haven, and in Albion.**
